2010 CIMAC SUPERLEAGUE SERIES

Dear Competitor

The highlight of any competitor's year is the annual Superleague, and it is my great pleasure to welcome you to the Cimac Superleague 2010 series.

This series of events is a time of special excitement as competitors, parents, coaches and spectators get together lighting up all the different sports halls that the Cimac series visit.

The Superleague is an essential part of many clubs' and associations' calendars, which is why the staff and referees always make sure that, whether it's your first time or if you are regular on the circuit, you will enjoy what we have to offer at all of our events.

You will notice that we have switched two of the events around: The BRITISH OPEN will be held in April and the STOKE event will be held in June. The INTERNATIONAL FIGHT NIGHT will be held at the beginning of November.

And this year, in August, we are introducing the first SCOTTISH CIMAC SUPERLEAGUE event in Edinburgh.

We are also hosting the NEW UK FIGHTERS OPEN on the 21st of November in Reading, where we will be offering cash prizes for Junior/ Intermediate men, Women and Senior men. (No league points at this new event).

For the up and coming junior fighters we have, once again, the novice divisions for boys and girls in semi contact. The novice divisions will be for competitors who have taken no more than two grades in any style and less than one year competition experience.

Once again Cimac Martial Arts wear is the official Superleague sponsor.

As usual we have imported great new trophies for this year's series. The top four competitors in each category will receive ranking points at the first NINE EVENTS towards the Grand Champions' League.

Please note that on the 2010 series if any competitors in the boys and girls divisions have accumulated ranking points after the first three events they will be able to stay in their category through out the year.

We would like to thank you for your support over the years, which has helped us to establish the Cimac Superleague as a great meeting place for all Martial Artists around Great Britain.

Yours in Sports Martial Arts *Nev Wray*
